Dear Colleagues,

UJ has identified 'Ethical Foundation' as one of its four values, driven by nurturing and actively promoting an ethos of honesty, transparency, accountability and fairness in the institution.

Because of UJ's commitment, the institution is raising its ethics performance to promote further and celebrate an ethical culture. To give effect to this commitment, the ELG approved an Ethics Implementation Strategy at the end of 2019. To give effect to this commitment, we would encourage all staff members to complete the online ethics training by 10 March 2023.
