GENERAL PROVISIONS APPLICABLE TO THE TENDER

Terms

- UJ reserves the right to accept a tender in whole or in part.
- UJ is not compelled to accept the tender with the lowest price.
- In terms of UJ's internal accounting processes, purchase orders for the budget available for specific goods and services are issued to potential suppliers of those goods and services. This does not amount to an offer, or acceptance of an offer, to contract with the Service Provider for the amount recorded in the Purchase Order.
- UJ may accept a tender in principle, subject to further negotiations between the parties regarding the tender and the conditions of the contract to be concluded between the tenderer and the UJ. In such case, a contract shall only come into existence when the parties have reached agreement (consensus) concerning the further negotiations and when it is reduced to writing and signed by the tenderer and the UJ. This will include negotiations regarding the Total Cost of Ownership, value for money or re-engineering of the contract.
- **It is a requirement that a Service Level Agreement, on the template provided by the tender pack, is negotiated and concluded within a period of 2 weeks after the award of the tender to the Service Provider.**
- UJ reserves the right not to award a tender.
- Neither the issue of this tender document nor any part of its contents is to be regarded as any form of irrevocable commitment on the part of the UJ to proceed with any transaction envisaged in this tender document.
